## LORD KILCOURSE SPEAKS.

We desire to call attention to the Great Western Competition of 1921, which is now being conducted by the Canadian Agricultural and Home Journal, published at Peterborough, Canada. The Agriculturalist has gained a reputation in the past for fair dealing in connection with these competitions, and the future will be no exception in this respect. Those who care to compete can do so free of charge. All they have to do is to prepare a list of English words made from the letters in the two words, "Agriculture" and "Home". The rules are that no letter can be used more than once in the two words above named, and can the names of persons or places be used. Foreign words are also barred. The winning prize is \$1,000; 2nd \$1,000; 3rd \$500; 4th \$250; 5th \$100; besides panes, organs, gold, watches, 5,000 elegant silver services, etc., making a total of over 10,000 splendid prizes. All who send in 100 correct words will receive a special prize. Take a few sheets of paper, prepare a list of words made up from the letters in the two words above named, and enclose \$1 for six months' subscription to one of the choicest and best publications on the continent, and you will have a really first class magazine to read, and may secure \$2,000 in gold in the bargain. The Agriculturalist always carries out its promises to the very letter, as the following from Lord Kilcourse, the Governor General's Secretary, will testify.

Government House, Ottawa, Ont., Jan. 16th, 1921.  
SIR, I will give my great pleasure to recommend my friends to enter your competition. I am, Sir,  
Your obedient servant,  
"KILCOURSE, A.D.C." To the Editor of Canadian Agriculturalist, Peterborough, Canada.

PRISONERS LIBERATED.  
Many who have been confined to their beds for years by rheumatism, back and other complaints, have been liberated from their sad prison by the wonderful regulating and purifying action of Burdock Blood-Bitters, which drives out the acid poison from the blood and restores health to the afflicted.

Special for Our Readers.  
A large, life-sized engraving (in natural colors) of the famous one thousand dollar prize St. Bernard dog owned by the Publisher of The Toronto Times, together with The Times Calendar for 1921 will be sent free (on mailing label upon receipt of your name and address and two three-cent stamps to cover expense of mailing. If you desire it send at once. Address THE TORONTO TIMES, Ousebury Buildings, Toronto, Ont.

Our old resident, Mr. D. J. Campbell, returned by last train, bringing with him a carload of settlers' effects, and a fine stallion. Since leaving here last fall, Mr. Campbell has again entered the married ranks, and brings with him his wife, and also the children of his previous marriage.

The train arrived in our Sunday evening, and left again Monday morning before there was time for the sorting of mail matter or anything else. Many of our citizens did not know it had arrived till it had again taken its departure, and an anxious amount of looking was the consequence.

The last train brought in a handsome silver cup for the Rifle Association, won by them in the Canadian Militia League matches last season. It is a beauty, and is worth calling in to President Agnew's store to see. The association took third place in the contest, in which over a hundred teams took part, and met just a few pence of their prize. This makes the third cup they have won, the other two coming from the North West League.

Mr. M. K. K., the wife of the venerable member of St. Anne's, was presented on Sunday evening last, by some of the prominent members of her church, in-hand-congregation with a valuable heavy storm collar. This gift, which was meant as a very slight token of the congregation's appreciation of her many services in the church and also in the Sunday school of St. Anne's, was duly acknowledged in a graceful letter to Mr. Mercer, the secretary who made the presentation on behalf of the donors.

Mr. G. F. F., a capitalist of Winnipeg, is now at the Royal. Mr. F. F. has bought out an original share of the Mc Kenzie estate, and thus added by the purchase another mark of confidence to his previous large investments in Prince Albert. Mr. F. F. last visit was in 1901, and he finds everything improved except the transport. On the last occasion, 1911, he and over sixteen days at Grand Rapids, but the C. P. R. with their usual energy beat his record and kept him twenty-two days at Regina, Vancouver, and Bonnington.

The New York Equineer. Every mother and housekeeper must often see a family physician in the many illnesses and accidents that occur among children and servants. For many of these cases I have used Perry Davis' Pain-Killer, and consider it an indispensable article in the medicine box. In diarrhoea, it has been used and effected cures. For cuts and bruises it is invaluable. 25c. for each big bottle.

Canada for March contains original poems, stories and other contributions of real merit. The non-hy record presents at a glance everything of importance that has transpired in the Dominion during the month. This excellent monthly journal, now in its third year, has many features that render it almost indispensable in Canadian homes. This year the publisher makes a special offer to new subscribers, who may receive Canada for a whole year by remitting 30 cents in stamps to Matthew B. Knight, Hampton, New Brunswick. The regular subscription price is 50 cents a year.

The Kachins rising in Burma is being causing serious trouble. Five hundred well-armed Chinese have attacked two villages out of Yunnan and have surrounded a detachment of fifty British soldiers. A strong relief force has been dispatched to the scene from Yunnan, and other reinforcements have been sent from Madras. It is stated the governor of Yunnan is sending Chinese troops to assist the British. Chinese troops are engaged in suppressive movements outside the Burma frontier.
